Winter 2026 - SVDA

Week 1

Welcome to the Week 1 newsletter for the SVDA **Winter 2026** season. These emails go out each week to recap match results, highlight league statistics, and share important league information as the season progresses. Each week, this newsletter will include current standings, individual weekly statistics, and league highlights. For those new to the SVDA, we track weekly Top 10 performers by division, including 3-Dart Average (**3DA**) and Marks Per Round (**MPR**) for O1 and Cricket games. All detailed stats and match information are available online, and a copy of the full newsletter is also available as an attachment and online (see link below).

Week 1 is always about getting the season started right, and overall it was a solid opening week. Matches ran smoothly, teams were settling in, and there were no major issues to address coming out of opening night. With play now officially underway, standings and statistics are beginning to take shape and will continue to develop week by week.

All-star Race

Winter 2026 - Week 1 Top Performers

The All-Star Race runs all season long, tracking every big score across both '01 and Cricket. For '01 games, it's simple: any score over 100 earns you that exact number of points – hit 100, get 100; hit 115, get 115; nail a 180, and you bank 180 points! For Cricket, check out the chart alongside this section for how points are awarded. At season's end, the player with the most All-Star points takes home the award. You can always follow the full standings and point system on our website: [website]. Each week, we'll also spotlight the top All-Star earners in every division, giving well-earned credit to the players putting up the biggest numbers!
