Winter 2026 - SVDA

## Week 8

With Week 8 in the books, we're down to the final two weeks of league play—and now every dart really counts. This is the time to stay sharp, find your rhythm at the line, and keep stacking those points. The race is tightening across the board, and with just a couple nights left, there's still plenty of opportunity to hit your mark and finish strong.

We're also seeing some consistency at the top of the weekly All-Star leaders, as both A and B Divisions have had the same player lead the way two weeks in a row—Darin Ernst and Brian Stanton, respectively. Keep the hot hands going and let's see who can close it out.

Now to the major highlights for this week, which are **180s, Round of 9s, and Hat Tricks:**

**180**

**Anthony Valerio - A**

**R9**

**Laurence Pacatang - A**

**Darin Ernst - A**

**Kimball Skinner - C**

# All-star Race

Winter 2026 - Week 8 Top Performers

The All-Star Race runs all season long, tracking every big score across both '01 and Cricket. For '01 games, it's simple: any score over 100 earns you that exact number of points – hit 100, get 100; hit 115, get 115; nail a 180, and you bank 180 points! For Cricket, check out the chart alongside this section for how points are awarded. At season's end, the player with the most All-Star points takes home the award. You can always follow the full standings and point system on our website. Each week, we'll also spotlight the top All-Star earners in every division, giving well-earned credit to the players putting up the biggest numbers!
