Winter 2026 - SVDA

## Week 10

Thank you all for making the Winter 2026 season a special one. We had four full divisions, and there were a lot of great individual performances and competitive team matches throughout the season. REC Division came down to the final week, and it was truly anyone's division to win among the top three teams. It ultimately came down to a tie, so I want to take a moment to explain how PTS are accrued and how the tiebreaker rules are applied.

Each division winner is determined by total PTS, which represent games won (singles, doubles, and team games). Each match night, all divisions play 13 games (12 for A Division), meaning a total of 13 PTS are awarded between the two teams in a match. After 10 weeks, if there is a tie in PTS, the tiebreaker rules come into play.

The first tiebreaker is head-to-head matchups. DartConnect looks at the results between the tied teams and compares their records. In the current REC situation, both Yo Mamma and Off Constantly won one match and lost one match against each other, making them 1-1. That moves us to the next tiebreaker.

If the first tiebreaker does not resolve the tie, the second tiebreaker is legs won. Yo Mamma has a +47 in legs won. This number is based on the division average and is expressed as a plus or minus value. The higher the number, the more legs the team has won overall. Off Constantly has a +45, which is very close and is the reason they are in 2nd place.

# All-star Race

Winter 2026 - Week 10 Top Performers

The All-Star Race runs all season long, tracking every big score across both '01 and Cricket. For '01 games, it's simple: any score over 100 earns you that exact number of points – hit 100, get 100; hit 115, get 115; nail a 180, and you bank 180 points! For Cricket, check out the chart alongside this section for how points are awarded. At season's end, the player with the most All-Star points takes home the award. You can always follow the full standings and point system on our website. Each week, we'll also spotlight the top All-Star earners in every division, giving well-earned credit to the players putting up the biggest numbers!
