Summer 2026 - SVDA

Week 1 & 2

Thank you all for joining us for the Summer 2026 season! We have already seen a lot of great darts, and I'm excited to see how the competition unfolds over the coming weeks. Unfortunately, we did have a forfeit in C Division during Week 1, but aside from that, all matches from Weeks 1 and 2 are now in the books.

The All-Star page will be live by the time this newsletter reaches you. All of the usual division tabs are still available, but I have added a new tab called SVDA. This tab allows players to see how they rank across the entire league, not just within their division. There are no changes to divisional awards, and this ranking will not be tied to any new awards. The goal is simply to give players another way to see how they stack up against the rest of the league in All-Star points.

This newsletter includes two weeks of Weekly Throwdown and All-Star Top Performers lists below. For those who are new to the league, these are weekly stats that highlight the top 10 performances in both 3DA (3 Dart Average) and MPR (Marks Per Round). Be sure to check them out and see if your name made the list!

All-star Race

Summer 2026

The All-Star Race runs all season long, tracking every big score across both '01 and Cricket. For '01 games, it's simple: any score over 100 earns you that exact number of points – hit 100, get 100; hit 115, get 115; nail a 180, and you bank 180 points! For Cricket, check out the chart alongside this section for how points are awarded. At season's end, the player with the most All-Star points takes home the award. You can always follow the full standings and point system on our website. Each week, we'll also spotlight the top All-Star earners in every division, giving well-earned credit to the players putting up the biggest numbers!

Player Score	Points Awarded
Round of 5 (R5)	100
Round of 6 (R6)	120
Round of 7 (R7)	140
Round of 8 (R8)	160
Round of 9 (R9)	180
3 Bulls	100
4 Bulls	125
5 Bulls	150
6 Bulls	180
