Summer 2026 - SVDA

Week 3

Week 3 brought plenty of close matches and exciting darts across the league. Every division continues to be competitive, and with Week 4 just around the corner, the standings could look very different by this time next week. Keep throwing well, because every point matters and every win can make a difference.

The All-star race is starting to heat up, with some familiar names near the top of the leaderboard. That said, there are still seven weeks left to play, and we've seen plenty of players make big moves as the season progresses. There is still plenty of time to climb the rankings and make your mark.

As our league continues to grow, both in players and sponsors, I wanted to take a moment to thank all of our host locations for supporting SVDA. Please remember that we are guests in their establishments and should represent the league in a positive manner. We are fortunate to have a wide variety of venues, including several family-friendly locations, so let's continue to show our appreciation through good sportsmanship, respect, and courtesy.

All-star Race

Summer 2026

The All-Star Race runs all season long, tracking every big score across both '01 and Cricket. For '01 games, it's simple: any score over 100 earns you that exact number of points – hit 100, get 100; hit 115, get 115; nail a 180, and you bank 180 points! For Cricket, check out the chart alongside this section for how points are awarded. At season's end, the player with the most All-Star points takes home the award. You can always follow the full standings and point system on our website. Each week, we'll also spotlight the top All-Star earners in every division, giving well-earned credit to the players putting up the biggest numbers!

Player Score	Points Awarded
Round of 5 (R5)	100
Round of 6 (R6)	120
Round of 7 (R7)	140
Round of 8 (R8)	160
Round of 9 (R9)	180
