Summer 2026 – SVDA

Week 7

Week 7 is finished, and with only three weeks of league play remaining, every match is becoming more important. Some divisions are beginning to pull away, while others are shaping up to be exciting races all the way to Week 10. Whether you're battling for first place, climbing the standings, or chasing All-Star points, every leg and every game still matters.

A big thank you to everyone who came out and made the Firecracker Shoot another great event. It was fantastic to see so many players spending an evening together, enjoying some friendly competition, and throwing great darts.

The All-Star race continues to heat up as players keep putting up impressive numbers each week. Keep an eye on the standings below—you never know when a big night can move you up the leaderboard. Surprisingly, there were no Major Highlights this week. Let's see if Week 8 changes that!

Good luck to everyone this coming week. Keep practicing, keep throwing well, and most importantly, keep enjoying the game. There are still plenty of darts left to throw before the season comes to an end!

All-star Race

Summer 2026

The All-star Race runs all season long, tracking every big score across both '01 and Cricket. For '01 games, it's simple: any score over 100 earns you that exact number of points — hit 100, get 100; hit 115, get 115; nail a 180, and you bank 180 points! For Cricket, check out the chart alongside this section for how points are awarded. At season's end, the player with the most All-star points takes home the award. You can always follow the full standings and point system on our website. Each week, we'll also spotlight the top All-star earners in every division, giving well-earned credit to the players putting up the biggest numbers!
