Summer 2026 - SVDA

Week 8 - 9

Week 8 and Week 9 are now behind us, and with only one week of regular league play remaining, every leg and every point matters. After Week 10, we'll head into the Division Doubles and Division Singles Tournaments, where each division will have one more chance to battle it out before we wrap up another great season. Good luck to everyone as we head into the final week!

First, I'd like to apologize for combining two weeks into one newsletter. I spent some unexpected time in the emergency room and have been recovering, which put me behind on getting the newsletter out. Thank you all for your patience and understanding. The good news is that this edition includes both Week 8 and Week 9, so you're all caught up.

One thing to keep in mind is that there is still one outstanding A Division match that has not been finalized. Because of that, the A1 and A2 standings are not final through Week 9 and will change once that match is updated. The remaining divisions are current, and with just one week left, several races are still shaping up to have exciting finishes.

As always, congratulations to everyone who picked up wins over the last two weeks. Whether you're battling for a division title, climbing the All-Star standings, or just enjoying a great night of darts with friends, thank you for making this league such a fun and competitive place to play. Good luck in Week 10, and let's finish the regular season with some great darts!

All-star Race

Summer 2026

The All-star Race runs all season long, tracking every big score across both '01 and Cricket. For '01 games, it's simple: any score over 100 earns you that exact number of points — hit 100, get 100; hit 115, get 115; nail a 180, and you bank 180 points! For Cricket, check out the chart alongside this section for how points are awarded. At season's end, the player with the most All-star points takes home the award. You can always follow the full standings and point system on our website. Each week, we'll also spotlight the top All-star earners in every division, giving well-earned credit to the players putting up the biggest numbers!
